

## Chief Executive of Hong Kong Recognizes Member of IMTE

Hong Kong, New York – June 6, 2018 — Integrated Media Technology Limited (ASX:ITL) (NASDAQ:IMTE) (“IMTE” or the “Company”) today announced that its subsidiary, Marvel Digital Limited (“MDL”), received recognition from Mrs. Carrie Lam, the Chief Executive of Hong Kong, for its glasses-free 3D technology at the Hong Kong Winners 2018 ceremony on June 4, 2018. The Hong Kong Winners ceremony is held annually to recognize Hong Kong companies who won awards at the prestigious International Exhibition of Inventions of Geneva. This ceremony is limited to the invited VIP participants only. This year, MDL was selected as one of the five companies to present its award-winning invention directly to Mrs. Carrie Lam.

“It is an honor to be recognized by the Hong Kong Chief Executive for the prestigious awards in Geneva,” said Dr. Herbert Lee, IMTE’s Chairman and CEO. “Our advance technology continues to be acknowledged worldwide, establishing our position as a leader in the autostereoscopic 3D industry.”

MDL won two awards at the 46<sup>th</sup> International Exhibition of Inventions of Geneva, which took place on April 11-15, 2018, for its Advanced Image Rendering Algorithms for Autostereoscopic 3D Displays. The exhibition was organized by the Swiss Federal Government, the State and City of Geneva and the World Intellectual Property Organization – WIPO. It included over 1,000 new inventions and products from more than 800 exhibitors and 42 countries. An international jury selected MDL’s technology based on the commercial potential and the innovative achievement. This also indicates that MDL’s sophisticated glasses-free 3D technology and solutions have brought unprecedented innovation to the 3D visual industry and is respected worldwide.
